2024-2025 Tuition Rates

A 21st Century Education carries many costs – technology upgrades, resource materials, personnel, building maintenance, utilities – all with increasing price tags and all worth the investment in our campus. Tuition is significantly lower than the actual cost to educate each child due to the commitment of the Diocese of Gary, the Missionaries of the Precious Blood, and various stakeholders to Catholic education. Our teachers, administrators and staff work together to ensure that our students are Christ-like leaders serving others, academically excellent, and prepared for high school and beyond at the time of graduation driven by their faith and Catholic principles and values. Please refer to the table below to identify your family's annual tuition obligation.
